

08/26/2017

I am currently looking to transfer my Lost Dutchman's Mining Association lifetime membership. I am offering it at \$650. There is also a balance of \$810 on the account that would need to be brought current by the interested party and also a transfer fee of \$150. The interested party must already have a Gold Prospectors Association of America lifetime membership or acquire one at a cost of \$450. I am open to negotiations. If interested please contact me at marshall.alaina@gmail.com . Thank you so much for your time.
